

Hey students!

- Are you interested in earning some money?
- Would you like to inspire young kids to get creative?
- Are you available after school or during the school holidays?
- Do you think it would be cool to have “worked at Code Camp” on your CV?

If you answered “YES” to any of the above, then Code Camp wants to hear from you!

Code Camp run coding camps, Animation, YouTube and DJ Camps every school holidays (between 8am-4pm) at over 100 locations. We are looking for awesome, creative and fun high school students to assist in the classrooms.

You don't need any experience in coding but you absolutely must love hanging out with younger kids, be responsible, be willing to do paid training and be committed to ensuring all kids who attend camp have the best holidays ever. We will have qualified Teachers at each location but you will be assisting them to ensure all students are safe and on track with their work.

Since Code Camp started in 2013, we have taught more than 100,000 children aged 5-13, from over 350 schools. We love what we do and we hope you will to!

If you would like to be considered for a position simply email our recruitment team at staff@codecamp.com.au with your name, DOB and some information about you - like:

- *What school you go to
- *Why you are interested in this role
- *Achievements that you are proud of
- *When you are available during the Spring holidays

We'll then be in touch ASAP to organise a call with you. Full training will be provided before starting any role. All we ask from you is that you bring your fun, bubbly personality along to any shifts you are offered!

We can't wait to hear from you!
