

Dear Year 4 Parents and Guardians,

Our classroom teachers have put together a [Year 4 Video Presentation guide](#) which outlines level specific information about your child's Holy Spirit journey in 2024.

We have also included a copy of the [Google Slides](#) and a [Google Form](#) to complete should you have any further questions that were not addressed in the video presentation. These questions will be answered and sent home in the form of a FAQ sheet.

Thank you for taking the time to view this information.

Kind Regards,

Kayla Flindt-Petersen
