

# Welcome to your CommunityOSH

CommunityOSH are a small but passionate provider who are committed to offering dynamic and engaging Outside School Hours Care Programs that are genuinely connected to each school community.

We are dedicated to providing working families with the affordable support you need and peace of mind knowing your children are safe and cared for.

We adopt an inquiry play based program so that we can support the children learn and discover, and take home positive and lasting memories of their time with us at Before and After School Care.

We are really looking forward to meeting everyone and joining the Teesdale Primary School Community in Term 2 2021.

Online enrolments and bookings will open very soon!
