

## **SECONDARY CATHOLIC SPORTS ASSOCIATION – NEWSLETTER TERM 2, 2020**

What an interesting term we had with no sports played at all for Term 2 due to COVID-19 restrictions. I would be guessing that it would have been the first time in SCSA history that this has ever happened. We hope that all students and staff coped reasonably well during this unforeseen and uncertain times.

However, SCSA created a Running and 'Show us your Skills' Competition for a six week period in Term 2 with a number of schools participating. About 700 submitted runs from students in different schools were received and more than 20 videos.

In summary, the winners were:

### **Inter-school sport**

*All interschool sporting events and competitions have been postponed until further notice. Resumption of interschool sport is dependent on advice from the Department of Health and Human Services that it considered safe to do so.*

With DHHS indicating that all junior sport is safe to resume from June 22nd, it is anticipated that the advice from the Education Department will be updated to reflect the same in the near future.
