Using Compass allows you to access up-to-date and meaningful information about our school and your child's progress. Compass includes many different features, including the ability to:

- Monitor your child's attendance, and enter an explanation for absence or lateness
- Communicate with your child's teachers, and update your family contact details
- View your child's timetable and the school calendar

- Download and view your child's progress and semester reports

Our school will advise parents when each of these features becomes available for parent use.
