Welcome to Schoolbox

The following is an example of what the home page looks like when you enter Schoolbox.

The screenshot displays the Schoolbox home page for Good News Lutheran College. The interface includes a top navigation bar with 'Groups', 'News', and 'Calendar' options. A central 'NEWS FEED' section shows a welcome message from the '1st Entry Community' dated 2 weeks ago. Below the news feed is a grid of nine interactive tiles: 'Update Contact Details', 'Report Student Absence', 'FlexiSchools Canteen', 'College Forms and Policies', 'Uniform Information', 'The Good News Newsletter', 'Good News Lutheran College', 'SchoolTV', and 'Signmee'. On the right side, there is a 'CALENDAR' section showing events for 'Wednesday March 1st 2023' and 'Thursday March 3rd 2023'. Below the calendar is a 'MY STUDENTS' section with a student profile card and a list of links: 'Timetable', 'Calendar', 'Due Work', 'Grades', 'Academic Reports', 'Pastoral Care', and 'Achievements'. A dark blue sidebar on the left contains 'My Groups' and 'My Links' options.

Note: Please be aware that the dashboard is constantly evolving. Don't be alarmed if it looks slightly different to what you see when you login to Schoolbox.

My Students

This section allows families to access information specific to your child, including academic performance, curriculum, current timetables and much more.

ACADEMIC REPORTS: The **‘My Student’** box will appear on the right-hand side of your screen on PC or Desktop Computers. However, please note that if you are viewing Schoolbox on a mobile phone or other portable device, you may need to scroll down to the very bottom of your screen view. Then, to access school reports, click on the tab here that says Academic Reports.

Note for mobile device users:

Please be aware that Schoolbox is currently only available as a website. Layout of pages may look different on a Desktop PC device than they do on a mobile or handheld device. You may need to scroll further down the pages to see the various tabs and sections. The good news is that a ‘Schoolbox App’ will be released mid Term 3 that will assist in this problem. We will advise you when this is available to download from your App Store or App provider.
