Join us for our next Dads and Kids Adventure!

Our next adventure is a walk up to the scenic lookout at Mount Brown. We will be learning fun trivia facts along the way and playing 'spot the iconic Perth landmark'. The track is a hard compact surface with a gentle hill so is suitable for younger children, but not prams. The walk is around 4km in total.

These adventures take place in a different location each week and are a great opportunity to connect with your kids in the great outdoors, as well as meet other local dads (or Father Figures).
