WHAT'S BEEN HAPPENING

Dear families,

Welcome back to school! We hope everyone had a safe and relaxing break. The kids had a wonderful time during the holiday program, filled with fun activities, laughter, and lots of happy moments. It was great to see everyone so engaged and enjoying their time together.

As the new term kicks off, we're excited to welcome our Prep students. They have been settling in beautifully and beginning to make connections with their buddies, which has been lovely to see. These early friendships are already helping them feel comfortable and confident in the program.

February is Friendship Month, and we have some exciting activities planned to celebrate kindness and connection. The kids will be making friendship bracelets and kindness cards, as well as enjoying a Teddy Bear picnic. We'll also be getting creative with some Valentine's Day crafts, giving everyone a chance to express care and appreciation for one another.

Thank you for your continued support. Hope you all have a great weekend!

Warm regards,

Eric
