

Buses replace trains on the Frankston and Stony Point lines

8.30pm Monday
18 August to last service
Thursday 28 August

We're busy removing level crossings

We're making the Frankston Line level crossing-free by removing all 27 of the dangerous and congested level crossings by 2029 and building 17 new stations, improving safety, reducing congestion and allowing more trains to run more often.

We're removing the level crossings at McDonald Street in Mordialloc and Station Street in Aspendale by building new rail bridges. As part of the project, a new elevated premium station will be built in the heart of Mordialloc and will feature modern facilities, all-abilities access, improved lighting, public spaces and landscaping. Entrances at both ends will make accessing the station easier and more convenient.

Improvements to the local traffic network will then allow the level crossing at Bear Street to be closed to vehicles, creating a vibrant station precinct with safe access for pedestrians and cyclists.

Mordialloc will be boom gate free, with a vibrant new station precinct in 2026.

Thursday 28 August

Platform 2 closed at Mordialloc Station

From **Friday 29 August to mid 2026**, Platform 2 will close at Mordialloc Station. Frankston Line trains will continue to run in both directions (To City / To Frankston) from Platform 1.

Mordialloc Station will remain open throughout most of the construction period. We'll communicate any changes in advance, including when buses replace trains.

Frankston Line temporary timetable and service changes

Frankston Line trains will run to an altered timetable **from Friday 29 August to mid 2026.**

Timetable information is available at **ptv.vic.gov.au/timetables** or via passenger information displays at your station.

Plan ahead at **ptv.vic.gov.au**

Travelling on a replacement bus

Accessibility

Most train replacement buses will be low-floor models to assist passengers.

If you need help or cannot board a replacement bus, please contact PTV prior to travelling on **1800 800 007** or speak to our staff at the bus stop for alternative transport to be arranged at no cost.

Bikes and pets

Bicycles, dogs (with the exception of animals identified by an Assistance Animal Pass) and surfboards are not allowed on train replacement buses.

Ticketing

Where possible, you should touch on and off at the beginning and end of your journey. When catching train replacement buses, you can touch on and off at your connecting train station.

To avoid delays, top up your myki online at **ptv.vic.gov.au**, instantly via the **PTV App** or set auto top up.

For more information visit ptv.vic.gov.au/disruptions, the **PTV app** or call **1800 800 007**.

If you're deaf, or have a hearing or speech impairment, contact us through the National Relay Service – for more information, visit relayservice.gov.au
