CANTEEN CLOSURE

Our Canteen Manager is in need of parents to help hand out the kids lunch orders. If we cannot find anyone to help share the load, we may not be able to continue to provide this service.

We have been providing a treat day for our students for many years. While the kids enjoy the opportunity to have a special lunch, the service provides a small profit which is **returned directly to the students**. At the end of each year, the funds generated by this simple service are used to purchase quality, hand-picked and purposely-selected literature for **each and every child** in our school.

!!It is a 100% win-win for the students !!

But, it is not feasible for one family to be expected take the full responsibility for providing this service continually, week in week out. We will be considering our options with how we can best continue providing this service and the benefits it provides to our students. If anyone can volunteer just 1hr a month, or even a Term, the P&C and the students would really appreciate your support. Please contact **Erica** on **0422 054 475**, or Anne in the office, if you can help.

Welcome...

The Rocky River P&C would like to extend a very warm welcome to our new students and families. We hope you enjoy your time at Rocky River and the benefits that our small school community can bring. Term 4 will be a flat-out whirlwind of activity, and we look forward to working with everyone to make the final Term run as smoothly as possible.

Uralla Co-op Grant

We would like to say a very big THANK YOU to the Uralla Co-op board for their very generous donation of \$1000.

The Uralla Co-op is a Not-for-profit organisation who redistribute their surplus income back to the community through various community groups.

The P&C is proud of the fact that the wider community acknowledges and appreciates our work in improving access to educational opportunities for our students.
