

# Music lessons at Newlands Primary in 2019

There is a thriving music program at NPS with lessons in piano/keyboard, violin, ukulele, drums, bass/acoustic/electric guitar. If your child is interested in starting up music lessons next year, contact the teachers listed below to book in.

**Piano/keyboard is on Mondays with Rachel.**

You can contact her directly via email at [racheljones2003@hotmail.com](mailto:racheljones2003@hotmail.com)

**Violin is on Tuesdays with Renee.**

Students are generally grouped into pairs of students at a similar level and have a 30 min lesson priced at \$20 per student per lesson. Private lessons for 20 and 30 minutes are also available.

Renee has a limited number of violins available to hire for an additional fee. This is quite a useful option if your child is beginning the instrument for the first time.
