Supporting Family Literacy

ABC
30 & 3

The ABC 30&3 program aims to improve the prospects of pre-school age children by increasing reading and other literacy activities in the home. It is anticipated that young children will be better prepared to start school and less likely to fall behind in reading and writing when families share books effectively and regularly together.

The program runs for 45 minutes a week over 4 weeks, engaging parents and their children in a positive learning environment. Over the course of the program we build a kit of resources for each family to take home that includes:

- Picture Books
- Puppet
- Nursery Rhyme CD
