START BRINGING YOUR DONATIONS

Fill Empty Plates This Winter: Vinnies Winter Appeal

Our neighbors need your help! St. Leonard's Vinnies is collecting non-perishable food donations to support families facing hunger this winter.

Every can counts!

Here are some high-need items:

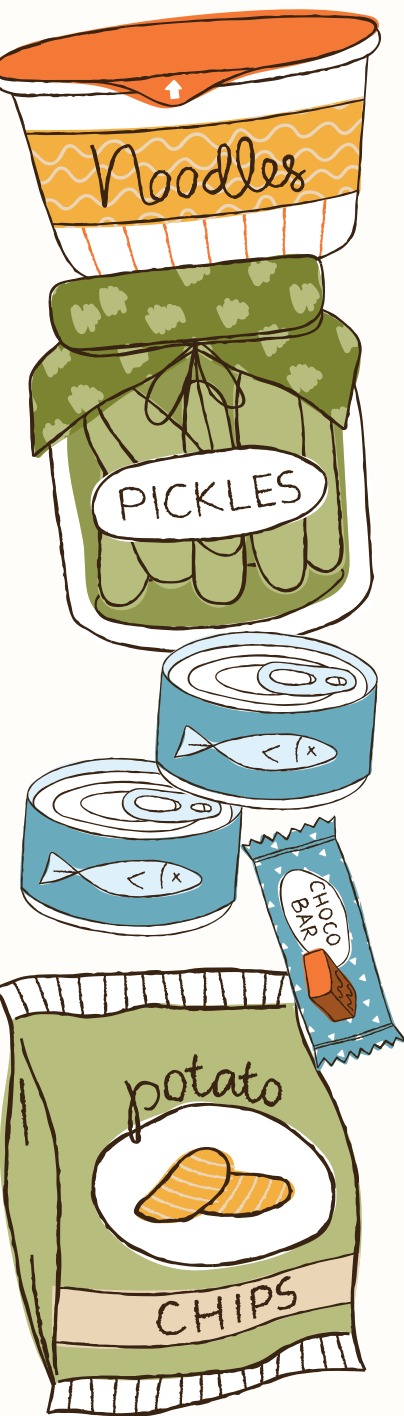

- Canned soup & fish
- Baked beans
- Dry pasta & rice
- Cereal & peanut butter
- Jam

Your donation will make a difference!

The great volunteers at the St Leonard's Conference will pack these items into hampers for families in Greater Glen Waverley.

Donate during Weeks 10 & 11! Our last collection day is Friday, June 28th (Winter Woollies Day).

Together, let's keep our community fed!

"Winter is a very difficult time of year if you are homeless or can't afford to pay for heating or other essentials. Vinnies is there to lend a hand to those that reach out at this particularly difficult time. To do this, we rely on generous donations from the community"

Thank you for your support!
