

Senior School Cross Country

This year we headed to our new track for Senior Cross Country at Mirrabooka Reserve and through Wurundjeri Walk. The students loved our new track which we found much safer with a lot less public traffic and no bike riders to contend with. There were some excellent performances and hard found sprints to the finish line with a lot of resilience shown by our Year 3's doing their first long Cross Country. Congratulations to all the students on racing in the Cross Country, especially those that now have the opportunity to compete at District level. Our winning house will be announced at our next whole school assembly.

We must also acknowledge all the parents that volunteered to help on the day. Without your help we would not be able to run this event. We can't thank you enough. A huge thank you to our parents our on the marshalling cones on what was another cold Melbourne day!
