

My Year Four Camp Reflection

When we arrived at Adanac (our camp) I hopped off the bus my stomach bubbling with excitement. I couldn't wait to find out what cabin I was going to be in. We were introduced to Cam, I was a bit nervous at least I had friends in my room.

We were in Acacia (entrance to cabins) in my cabin I had Mia, Milli, Elina and Jade. I set up my bed and sat in it waiting for the others. I thought about what journey laid ahead I was interrupted by a knock on the door it was Mrs Ball she had come to tell us that it was all most time to go down to the gym.

It was time to do our first round of rotations. I was with Mrs Lawrence's group we were called Lawrence's Lamingtons. We did a picture hunt where you had to search for the picture on the sheet you're given, then we did disc golf followed by hut building. After lunch we did flying fox - that's what we did on Monday. That night we went to the disco where we had a dance competition and guess what? ... I won!! I struggled to get to sleep because I was so excited.

I was glad it was morning. We had great food all through the day and we did more activities like archery, low ropes, canoeing and water slide. At the end of the day we had movie night and we watched Like Mike. Before I knew it it was the last day of camp. We watched high school musical on the bus. I was so happy to be back home.

I was really impressed with the teachers especially Mrs Diggins, Miss Tilly and Janine - thankyou to you three!!!

Bloopers in hut building was when Mrs Lawrence tried to pour water on our hut and she accidently threw it on herself.
