## WHAT'S BEEN HAPPENING

Dear families,

We are thrilled to share the exciting adventures and creative endeavours your children experienced this week at our before and after school care program.

**AFL Poster Fun:** Our budding sports enthusiasts had a blast creating AFL posters! Each child proudly signed their 's name alongside their favourite team. This activity not only fostered a sense of community and team spirit but also allowed the children to express their love for the game in a creative way.

**Recycling Creativity:** The children's imagination took flight as they transformed recyclables into amazing creations. From binoculars and cars to fishing rods and other incredible hand-crafted artworks, the children showcased their ingenuity and environmental awareness. These activities encourage resourcefulness and the importance of recycling in a fun and engaging manner.

As Reconciliation Week approaches, we have planned a special lineup of activities to help the children explore their interests and potentials while learning about the rich cultural heritage of the First Nations peoples. Our activities will include collaborative artwork and projects, indigenous-inspired art, storytelling sessions, learning first nations languages.

We believe these activities will not only be educational but also deeply enriching, helping the children to appreciate and celebrate the diverse cultures that make up our community.

Thank you for your continued support and involvement in our program. We look forward to another week of learning, playing, and growing together.

Warm regards,

Eric  
Director of Team Kid Before and After School Care
