Dear Parents/Carers,

Due to a high number of Para Vista students identified as 'classroom contacts' we have needed to make the decision to cancel school swimming lessons next week (in line with advice from the Department for Education and SA health). We are unsure at this time whether we will be able to reschedule the lessons. We will offer a refund to families that have already paid or you may like to put this payment towards school fees. Please return the form below to indicate your preference. We are as disappointed with this decisions as students would be, however need to continue to follow recommendations provided to us.

I would like to take this opportunity to thank families that have been keeping unwell children home, socially distancing at the gate at pick up times, adults wearing masks onsite and families that have encouraged good hygiene practices. Please continue to follow advice and we will do our best to stop the spread of Covid in our community.

Regards,

Melissa Mills

Principal

Para Vista Primary School

I have paid for swimming and would like a refund/distribution of funds for my child/ren:

Name Isabella Eaton Class V24

Name Charlie Eaton Class P9

Name _____ Class _____

I would like

- a) Have a refund paid to a bank account

Account name: _____

BSB: _____

Account Number: _____

- b) Put the refund towards school fees

I understand this refund/distribution of funds could take up to two weeks to process

Signed Romana Eaton
