

INVITATION

Sunday Worship and Community at Aitken

An initiative of **ROC = Reach Out Community** at Aitken College

In a world which increasingly offers materialism and success through what we work for and acquire, the big questions of **Who am I?** and **What is the purpose of Life?** are all too easily pushed aside. The world is no happier for this.

Are you as a family worried about how to give your children the values which matter? Do you ever think about those big questions? Is grief and loss, and life and death, issues which at times confront you? Do you seek answers? Within the Christian Faith there are real answers based on reason and revelation. Perhaps you are looking to be a part of a community which supports each other and explores these matters with honesty and understanding.

If so... why not join us on a Sunday morning once a month (at this stage!) for a simple service which has something for everyone, the kids and the adults? We meet in the CPA foyer at 10.30am once a month. Our next service is **Sunday 22 October**, and the topic is Miracles. Should be very interesting!

A warm invitation is extended to you and your family and friends to join us at this time. If you have any questions please feel free to call Mr Chris Ward at the College on 9333 9213 or email cward@aitkencollege.edu.au

Alternatively, you might like to fill in the information below and return it to the College and Chris will contact you.
