

COMMUNITY SERVICE – TRINITY LUTHERAN COLLEGE

Continued...

I felt very welcomed at the school and throughout the day, I corrected the student's narratives, helped them spell words, listened to their presentations about the environment and even participated in their PE class.

Overall it was such a beneficial experience, this day allowed me to build friendships with both the students and teachers, allowing me to form connections that may benefit me in my teaching career in the future. It was also amazing to see students get out of their comfort zones as they eventually warmed up to me throughout the day. I definitely recommend the Senior Mercy Works Programme as it has taught me such valuable lessons, and has showed me how to give back to the community in a positive and impactful way.
