

Exam Preparation VCE Units 3&4

Monday 20 – Friday 24 September 2021

Knox Government Secondary Schools are proud to work in partnership to provide an exceptional End of Year Exam Revision Program for students undertaking VCE Units 3 and 4.

Students registered for the program will have an opportunity to:

- Participate in sessions conducted by highly sought after VCAA assessors, published authors and other experts
- Build upon the knowledge and essential skills gained throughout the year to maximise their exam performance.
- Enhance their examination techniques including how to get the most out of reading time, problem solving and how to effectively construct responses
- Develop successful study habits to enter examinations with confidence
- Receive comprehensive resources.

FREE for students from Knox Government Schools
Don't miss your chance to access this quality revision program offered by other private organisations for over \$150

“Our commitment to building excellence for students in Knox”

Knox Secondary School Principals
