## Around the Grounds

### 6A

The boys started strong with two early goals. However, complacency got the better of them as we conceded 2. The team started the second half 3-2 up. Again, we conceded an early goal and the rest of the game was dominated by us, however no luck in finding the back of the net.

### 6B

The early morning drive to Sandgate must've fuelled the boys with energy and intensity because they came out firing in the first half. With three goals within the first 5 minutes the boys knew it was their day. A combination of wonderful finishing and outrageous passing saw the boys put the game to bed by half time. The second half didn't see much change with Ryan controlling the tempo of the game and Raphael continuing his goal scoring streak with another hat trick. Adding another 5 in the second half with goals from Max, Richard and Nick and a couple others the boys should be happy with their performance leading into a massive day next Saturday against a strong St Laurence's.

### 6C

The match got off to a delayed start due to referee troubles, but the action quickly heated up with an early shot from SPC that drifted just wide of the post. Harvey immediately responded with a close miss of our own. Eddy broke the deadlock to make it 1-0, capitalising on a pinball scramble inside the box with a poacher's finish. Cam then turned on the style, using some lovely footwork to beat his defender and drive along the byline, flashing a dangerous cross just out of everyone's reach. Shortly after, Cam extended the lead to 2-0 before halftime by latching onto a quality pass and cleverly guiding the ball past the keeper with the outside of his boot.

In the second half, Cameron extended the cushion to 3-0 by navigating a crowded penalty box to find the back of the net amidst a sea of defenders. The opposition managed to pull one back to make it 3-1 with a shot placed into the top of the goal; despite Harvey's best efforts, his deflection was not enough to keep the ball out.

Any hopes of a St. Pat's comeback were dashed when Daniel made it 4-1, latching onto a lovely pass from Noah to power a clinical strike past the keeper. Eddie almost added another spectacular goal to the tally when he unleashed a powerful, looping long-range effort from near the corner flag that unluckily rattled the crossbar. Daniel sealed the dominant victory with the last kick of the game, with a beautiful first touch and lovely lofted finish to end the game 5-1; capping off a stellar performance that earned him the Man of the Match honours.

Well done to all the boys, who demonstrated strong teamwork and dedication to see off the strongest opposition we have faced yet.

### 6D

6D turned a tense showdown into a second-half masterclass, powering to a 6-0 win over St Pat's after a cagey opening half left the scoreboard untouched.

The first half we were unlucky with numerous attempts taken and corners won but unfortunately the team couldn't capitalise. But after halftime, the team came out with accuracy for days. Ryan set the tone with two clinical finishes that St Pats simply couldn't contain. From there, we

piled on the pressure, adding four more goals as confidence surged across the pitch. Harvey was the standout performer earning MOTM for his composure in the midfield and his wonderful passing and shooting. Everybody's work rate and commitment however were the backbone of the second-half takeover.

Congrats boys onto next week

### **6 Blue**

Another tough game for the 6 Blue lads today. And again, the score didn't really reflect the contest. Marist stand outs today included Seb Smythe and Andre Dua who were both fierce in defence and had some great runs in the middle.

MOTM Bede Thompson showed excellent work all over the field causing problems for the opposition at both ends. He was unlucky to not get his first goal of the season with a sweet strike from the sideline that unfortunately hit the opposite post. His fellow MOTM the ever-dependable Sam Fernan worked superhard in defence, doing so well winning the one-on-ones.

What we love about this team is how willing they are to look for and pass to their teammates and how hard they battle in defence. Keep working hard gentlemen. Another win is coming.

### **6 Gold**

What a performance from 6 Gold, even if the result didn't go our way!

Patrick Rose-Diamond was nothing short of sensational between the sticks, pulling off save after save to keep us in the match — without him, it could have been a very different story; a performance that has rightfully earned him man of the match.

In front of him, Eamon Conroy was an absolute rock in defence, throwing himself into challenges and shutting down every attack with composure and determination well beyond his years. The midfield was simply electric, dominating possession and threading pinpoint passes through to our strikers with real vision and precision. Carter Sorbie capped off a brilliant team move with a stunning goal that had everyone on their feet. Luck, unfortunately, was not on our side today — we created chance after chance, hit the post, had shots cleared off the line, and walked away with nothing to show for what was a truly dominant display. The effort and heart shown by every single player should make the whole team incredibly proud.

---

### **5A**

### **5B**

Marist delivered a dominant display to dismantle St Pat's 11-0 in a one-sided footballing masterclass, controlling the match from the opening whistle to the final siren.

Cooper Briggs was instrumental in the midfield, dictating play with confidence and consistently driving Marist forward with precision passing and relentless pressure around the contest. Alongside him, Evan worked tirelessly through the centre of the ground, linking defence and attack

seamlessly while helping Marist maintain complete control of possession throughout the game.

Up forward, Louis Vandeleur was electric, creating scoring chances at will with his sharp movement and attacking flair. His pressure around goal and ability to find dangerous space caused headaches for the St Pat's defence all day

## 5C

Much improved performance from 5C.

Our first away game showed the best version of ourselves yet. Powerful combinations in the midfield from Pat, Jacob, Daniel and a MOTM game by Charlie made sure that our strikers had plenty of ball. Daniel and Sean owned the wings and Lyndon (who was unlucky to not get MOTM with a commanding performance) dominated the box with strings of shots at goal. At the back, Will remained concentrated in spite of the little traffic because Patrick, Jensen, Luciano and Rusten dominated the St Patrick's attack. A stronger challenge waits this week.

## 5D

The boys put on a dominant performance giving Pat's very little breathing room throughout the duration of the match. Our defence quickly closed down any chances and our continual pressure amounted into numerous goals.

## 5 Blue

After leading 4-0 at halftime, our boys had to dig deep when the opposition stormed back to make it 4-3. Thomas Bishop led the way with four goals, while Finn Purcell also found the net. Thomas sealed the win late, and we couldn't have done it without Charlie Symonds putting his body on the line in goal all game.

## 5 Gold

Marist 5 Gold delivered an outstanding and commanding performance in their 7-0 victory over St Laurence's 5F, showcasing both relentless attacking pressure and disciplined defensive work across the entire pitch. From the opening whistle, the intensity was clear. Marist set the tone with strong defensive structure, repeatedly clearing the ball with purpose and composure. Every clearance wasn't just a defensive action—it became an opportunity to transition quickly into attack. The back line worked tirelessly, shutting down attacking threats and ensuring St Laurence's rarely found space in dangerous areas.

Equally impressive was the team's hunger when contesting possession. Whether in midfield battles or attacking phases, Marist players showed tremendous tenacity, consistently first to the ball and determined in every challenge. Their ability to regain possession and push forward into scoring positions proved crucial, allowing them to build sustained pressure and maintain control throughout the match.

A standout performance came from Harrison Pulbrook, who earned Man of the Match honours with an exceptional display, netting three goals. Special mention must also go to Jack Hallo, whose goalkeeping efforts in the first half were instrumental in maintaining the clean sheet. Overall, it was a commanding display from Marist 5 Gold, built on intensity, teamwork, and a relentless drive to win every contest on the field.

## 5 White

It was the best of performance of the season for 5 White. The boys' passing and ability to move the ball down the pitch was the much improved on recent games and it showed on the score card.

From the beginning Marist dominated possession, but momentum went against them they had to defend their half for long periods.

A massive congratulations to our star goalkeeper, Henry Burton who was excellent with the gloves feeding the ball to the ever-reliable Levi Price and man of the match, Ethan Lawrence-Smith.

In defence our rock Ethan O'Rourke held down his end of the deal with great support from Finnian Apps and Oscar Brown.
