

APPLICATIONS NOW OPEN - Academic Enrichment Stream

Year 7 | 2027 | Armidale Secondary College

What is the Academic Enrichment Stream?

The Academic Enrichment Stream is an internal academic class established at Armidale Secondary College. This program is designed to provide additional challenges and enrichment in a learning environment that operates similarly to the selective stream; however, please note that this is an internal school initiative, and not an official selective program offered by the Department.

The ASC academic enrichment program aims to support students' continued growth by offering a curriculum that is both stimulating and engaging. All applicants seeking to apply for the program should be aware that continuation in the program is contingent on students demonstrating sustained academic performance and commitment to learning, and placements are reviewed regularly.

Application Process:

To apply for a position in the Year 7 Academic Enrichment Stream in 2027, please follow provide the following:

- A personal statement detailing the student's motivation for applying and their future aspirations.
- Copies of the students 2 most recent school reports
- Copies of any recent standardised testing results (e.g., NAPLAN, PAT, ICAS, Check-In, VALID).
- A portfolio that includes:
 - Certificates depicting academic achievements and extracurricular successes
 - Work sample(s) that demonstrate academic achievement

Selection and Notification

- All applications will be reviewed by a selection panel at Armidale Secondary College to determine applicant suitability, based on submitted documentation.
- Applicants being considered for placement following the panel process above will be invited to sit a test to assess numeracy, literacy and non-verbal reasoning.
- Following the panel and testing stages above, applicants will be ranked in priority order, and positions will be filled accordingly. A reserve list may be created for the 2027 calendar, should additional positions become available.
- Outcome notifications will be communicated via email.
