➤ **New Engineering Streams**

From 2017, there will be three *new* engineering streams available to students: **Geological Engineering, Oil & Gas Engineering, and Renewable Energy Engineering**. Find out more at - [Engineering @ Monash](#)

➤ **The Monash Guarantee**

The Monash Guarantee can get a student into a Monash course even if they do not reach the course's clearly-in ATAR. Students could be eligible for the Monash Guarantee if they:

- ✓ have experienced financial disadvantage
- ✓ live in a low socio-economic area
- ✓ are an Indigenous Australian
- ✓ attend a Monash under-represented school

So, every Monash undergraduate degree has a **Monash Guarantee ATAR**, which is lower than the expected clearly-in for that course. Students who meet the eligibility criteria might like to browse [Monash Guarantee ATARs](#) to view the expected ATARs for courses.

To be considered for the Monash Guarantee, Year 12 students must *submit a VTAC course application, complete a Special Entry Access Scheme (SEAS) application including any required documentation, and complete a VTAC Scholarship application*.

➤ **Guaranteed Entry Scheme**

The University offers four types of guaranteed entry pathways to its professional entry graduate courses. For each pathway, students must enrol in an undergraduate degree at the University of Melbourne to be eligible. A guaranteed entry is available for most graduate degrees, depending on the ATAR a student achieves:

ATAR of 99.90+ Chancellor's Scholars Program	A guaranteed CSP place in any professional masters degrees, and no minimum Grade Point Average (GPA) in the undergraduate degree is required although prerequisites for the graduate degree must be met
ATAR of 96.00 – 99.85+	A guaranteed CSP place in a range of graduate degrees, subject to meeting the prerequisites and achieving a GPA of 65% in the undergraduate degree studied
ATAR above 94.00	A guaranteed fee place for students who meet the prerequisites and achieving the required GPA of 75% in the undergraduate degree studied
No ATAR	These guaranteed entry pathways are based on academic performance in a current University of Melbourne undergraduate degree, and are not subject to any ATAR requirement.
