WHAT'S BEEN HAPPENING

Dear families,

We've had a buzzing week full of fun, learning, and laughter. One of the big highlights has been our *100 Hours Outdoors* challenge. The kids have absolutely loved being outside—playing, exploring, and enjoying the fresh air. We're thrilled to continue next week with more exciting outdoor games like a soccer/football shooting challenge, balancing competitions, and a fun relay race.

Next week, we're also excited to celebrate **World Bee Day!** 🐝

We'll be diving into all things with some creative and hands-on activities:

- Bee Finger Puppets
- Bee 3D Bee Paper Modelling
- Beehive Collage

We also welcomed two new pieces of furniture into our space this week: a fresh bookshelf for all bookworms and a prep table with chairs for the young kids. It's been wonderful to see how excited they are to use these new additions—and how responsibly they've taken on the job of helping each other and keeping our space tidy and organized. We're so lucky to have such a curious, kind, and creative bunch—and we can't wait to see where their explorations take them next.

Have a wonderful weekend, and we'll see you soon!

Warm regards,

Eric

Director of Team Kid Before and After School Care
