WEST BEACH PRIMARY SCHOOL

Uniform Policy

Last Reviewed - August 2015

In keeping with our school values and a long tradition of ***excellence, respect, responsibility and creativity*** all students are expected to proudly wear the West Beach Primary School uniform. Wearing the school uniform assists in the provision of a safe school environment where students are easily identified as being a part of our school community. It also assists in creating a supportive social environment by reducing levels of competitive dressing and provides cost effective, durable clothing. The uniform contains a range of options to suit all body shapes, sizes and ages.

The West Beach Primary School Uniform Policy has been developed and supported by the school community through the SRC and Governing Council and is in accordance with the Education Regulations (Part 6 – section 86). We ask for the co-operation of students, parents and staff.

The school uniform colours are Royal Blue tops and Dark/Charcoal Grey bottoms.

The school uniform is to be worn by students to school every day (except designated casual days/sports day) and at any time they are representing the school eg. Whole School Photos, Excursions, Festival of Music, Debating, Japanese Tournaments, Young Leaders Day etc.

All/most items are available for purchase through the school uniform shop.

A detailed list of school supplied items is available from the school uniform shop located in the school front office. Items can be purchased via order form with credit/cash payments.

The uniform shop is available for viewing and sizing every morning from 8.30am till 10.00am. Alternatively items can be purchased by submitting an order form complete with payment. These will be processed and packaged items and receipts sent home at the end of the day. If an item is out of stock parents will be contacted and informed of proposed arrival date.
