

Campus Community Celebration

Dear Parents & Caregivers,

Following on from our Save the Date, we are excited to provide you with further details about our upcoming Campus Community Celebration, taking place on Friday, 14th November from 5:00pm to 7:30pm.

This event is set to be a wonderful evening of fun, food, entertainment, and community spirit for all.

On the night, there will be three designated entry points to help with flow and accessibility.

These will be located at the pedestrian crossing on the Golden Way (OLOH side), the pedestrian crossing on Golden Grove Road (GPS side) and at the black gates adjacent to the Community Centre and courts.

Pre-Purchase Entry Tickets

To ensure the evening runs smoothly, we strongly encourage families to pre-purchase their entry tickets via the QKR! app. This will be going live on Friday, 26th of September. **BONUS**, all families who purchase their entry tickets through QKR! will automatically go into the draw for a special door prize.

Hybrid Payment Model

Once again, we will have a hybrid payment model to support a variety of payment preferences. Tokens can be used at a number of stalls, while cash will continue to be accepted at all stalls. A limited number of EFTPOS facilities will be available on the night for purchasing additional tokens if needed.

Tokens are sold in bundles of 10 for \$10, with each token valued at \$1. Token pre-sales can be purchased on the QKR! app as of Friday, 26th of September. Please note, pre-sale tickets and tokens will need to be purchased by Sunday, 9th November and will be sent home on Thursday, 13th November with the student profile used to make the purchase.

Entertainment

You can look forward to a fantastic line-up of entertainment throughout the evening. The Main Stage will feature a headline performance by Day Drive, and the Secondary Stage will showcase talented student performers and local dance groups. Our children's entertainer, Mr Oopy, will also be performing and providing children with lots of entertainment and fun activities throughout the night. There will also be a variety of activity stalls offering fun and engaging challenges for children and families.

Food & Drinks

Our Lady of Hope School will be serving a delicious variety of main meals, while Greenwith Primary School will be offering desserts and drinks to satisfy every sweet tooth.

Raffle

A big thank you to our wonderful sponsors and families who have donated so generously to our raffle. Our Campus Community Raffle will be drawn on the night, with more information to be shared soon. All funds raised during the event will go towards the installation of refrigerated drink stations in both the Resource Centre and Canteen courtyard. These bubblers and bottle fillers will help keep students cool and hydrated all year round.

We are looking forward to a fun night and successful fundraiser!

Warm Regards,

GPS Team
