If you have multiple children to register for netball, look out for the button usually on the top right of the forms and work through the same instructions for them as well. This can be done before you continue with payment.

The TNA will create teams from the registrations. School based teams such as Tatura Primary and Sacred Heart etc will be created if numbers allow.

Any important information as to the running the competition this year – including weekly rosters, modified rules for Grade 3&4 teams and COVID safe plans will be communicated via coaches and team managers.

We encourage all parents/guardians/friends/family to get involved with netball– there are lots of roles – coaches, co-coaches, team managers, NetSetGo assistants, committee members, Friday night co-ordinators, fundraisers. This ensures we can provide opportunities for ALL those who want to play netball.
