

## Prayer

Dear God, thank you for this great world in which we live in. Thank you for all of the great animals in this world and for giving us a roof under our heads. Please guide the homeless to get food and water to have a better life like we do.

# Holy father,

Help guide and support those that are less fortunate than ourselves. Help by shining a light on these people's futures and give them support in their struggles. Help give them hope, a second chance in a bright and healthy life. Help keep them warm in winter and cool in summer.

Amen.

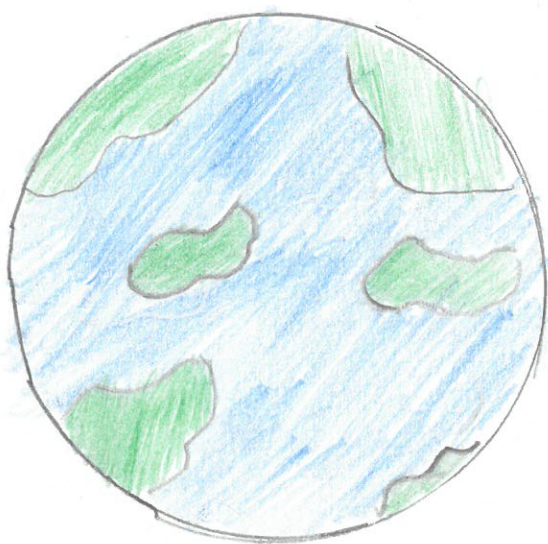

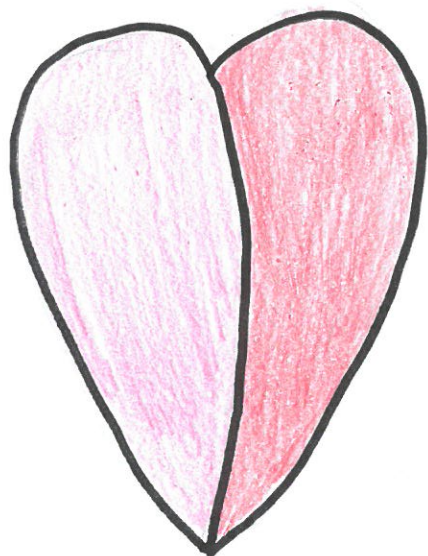

Dear God,  
Thank you for all of the water and food that  
you have provided us. Thank you for the  
light protection and shelter that you  
have given us. Thank you for providing  
me with all that I need to live a safe  
and happy life.

Please watch over those who are struggling,  
sick and in need of help.

Please watch over my family and friends.  
Thank you for all that you have given  
me and others.

Amen

DEAR HOLY LORD,

THANK YOU FOR CREATING OUR WORLD.

WHEN I WAKE UP, I GO OUTSIDE

I LOOK AT OUR WORLD FROM SIDE TO SIDE

I SEE GREEN TREES AND LEAVES

AND BLUE OCEAN AND SKY

I SEE FLOWERS THAT BLOOM AND

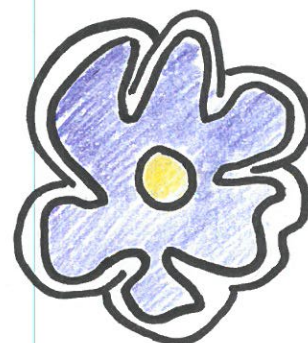

ANIMALS THAT ARE IN THE ROOM

ROSES ARE RED, VIOLETS ARE BLUE

ALL I SEE WAS CREATED BY YOU.

THANK YOU,

AMEN

Lord,

Thank you for the birds in the sky oh so beautiful.

Thank you for the fish in the sea oh so grand.

Thank you for the land creatures that we own and love oh so powerful.

We are all grateful of this and praise you.

You have created for us homes. The fish have the sea. The birds have the sky and the land creatures have all the land in this wonderful world.

Thank you.

Amen

LORD, KEEP MY FAMILY SAFE FROM HARM. I WILL  
LIVE SIMPLY, DREAM BIG, BE  
GRATEFUL, GIVE, IMAGINE, CARE DEEPLY, BE MYSELF,  
LIVE EVERY MOMENT, LOVE BEYOND WORDS AND  
LAUGH EVERYDAY. YOUR HEART IS MAGNET FOR  
MIRACLES. I TRUST YOU TO KEEP ME SAFE, TO GUIDE  
ME THROUGHOUT MY DAYS, TO HELP THOSE IN NEED  
AND BE KIND TO ALL. YOU CREATED US YOU  
CREATED OUR WORLD WE SEE TODAY.

AMEN

Dear Holy Father

Thank you for the life you bring to me, to us, to all.  
Thank you for your presence in all the places I go.

Thank you for the food you provide for us to grow and eat.  
Thank you for the human body, our arms, face and feet,  
as well as all the other features you created to make us special.

Thank you for giving us a chance on this amazing earth.

Please can you help and guide the less fortunate,  
in all the ways you can.  
For they are harmless and deserve a better life.

Thank you for the bright, beautiful colours in the world  
that makes life surprising,  
but please help the people in pain  
who are sick or have bad cancer.  
Please help the scientists find a cure for cancer.

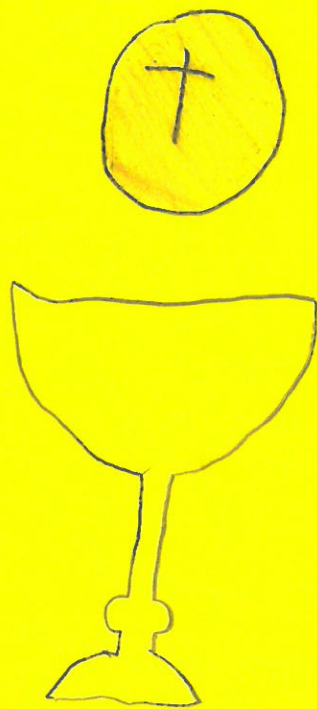

Yet everything else you created on earth I am very grateful for  
and thank you for the friendship and love in this big family of yours.

Amen.

Dear god,  
Thank you for all of the things you give us.  
From water to food. All of the plants and  
animals that you have given us. All of the  
strength you have provided for us to stay  
strong and achieve great things. Thank  
you for all of the guidance you have given  
us. Amen

Dear God,

We thank you for the people we are surrounded by, our friends, and family, who have stuck with us through thick and thin. We praise you for the plants and the trees that grow in our gardens and provide us food and fresh air. We admire you for all the natural resources that run below our feet, and give us water and fuel. We hope that you will continue to bless us with your gifts and keep us from the destruction that we have brought upon ourselves in the form of pollution and global warming.

Amen

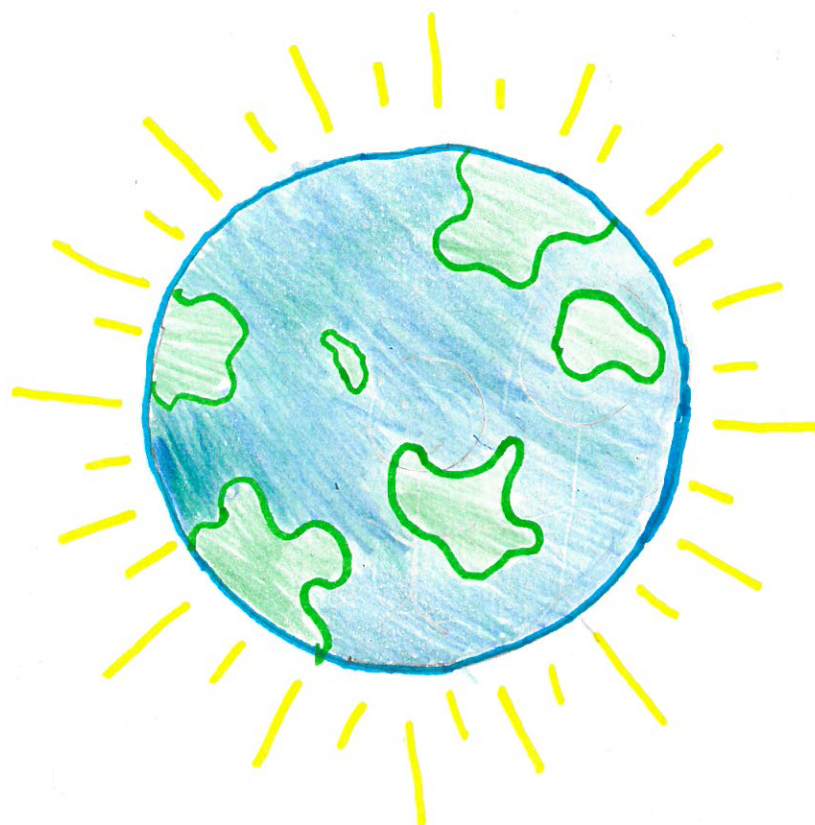

Dear God,

I thank you for my family and friends. Whenever I'm down they help me back up or whenever I'm alone they keep me company. I pray for those who have lost a family member or friend. I also pray for the homeless who are alone on the streets, freezing cold or super hot, I hope they find somewhere to stay with someone to keep them company.

Amen.

Dear God,

Thank you for creating this wonderful world which I cherish every day. I hope all unfortunate people get a roof over their head and they appreciate every second of their life. I am also grateful for all the creatures who make this world what it is. Allow us to continue loving and living to our fullest potential.

Amen.

Dear God,  
Thank you for giving us feet to stand on so we can  
enjoy walking on this beautiful world.

Thank you for giving us arms to hold, to eat and to  
drink.

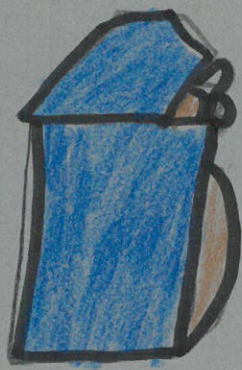

Thank you for our head to learn, listen, smell,  
think, eat and drink.

I would like to ask you to guide the people that are  
disabled and everyone else to think positive and  
strive to their goals.

AMEN

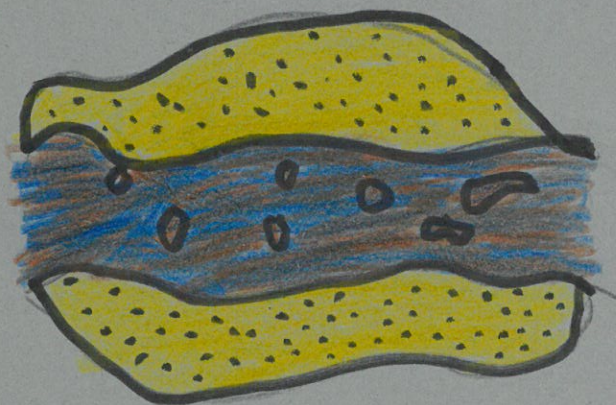

Dear God,

In the days of darkness, where pollution and waste fills our planet, please spare those who wish that this never happened- the people that live in poverty and third world countries. Support and give strength to the people who still survive through the things that we have brought upon them.

So please, guide us to your faith and help us learn from our mistakes.

**Amen**

Dear our Blessed Father,

Thank you for the beautiful World that you have gifted us with, but it isn't beautiful everywhere anymore. We have polluted this beautiful place and we are extremely sorry. We have turned it into an endless wasteland. Creatures are dying and 40% of our planet has been polluted with toxic fumes. Please forgive our bad ways and guide us in making Earth, our home great again.

Dear, God.

Thank you for keeping a roof over my head as well as a roof over the people in my life. Unlike me some people don't have the luxury of a house so please help the less fortunate to get a roof over their head.

Amen.

Thank you for all that you created  
such as the ocean, land and all  
animals. Thank you for the food

Dear God,  
Thank you for great night's rest and the excellent  
opportunity to be standing on earth today.  
Today is another day that I will forever appreciate.  
I am very glad that I get to live and enjoy it with a  
healthy and happy mind.  
I will forever be appreciative and grateful for how much  
you have done for me, my family and friends.  
Please guide me in the right ways today and forever.  
Amen.

Dear Lord,  
Thank you for the beautiful and green world we  
have today. Thank you for the delicious food that  
we have. Please listen to our prayers of the  
people who are unfortunate and living on the  
street without all the things we have.
