

Reminder: Voluntary Contributions for 2025

Dear Parent/Guardian,

We're proud of the strong start Cowwarr Primary School has made in 2025 and look forward to another enriching year of learning and growth.

At Cowwarr Primary, we are committed to providing high-quality education that is engaging, inclusive, and well-resourced. While the standard curriculum is delivered free of charge, the generous support of our families through both time and voluntary financial contributions plays a vital role in enhancing the learning experience for all students.

Your contributions help us maintain and improve the programs, technologies, and resources that set our school apart. We work hard to keep costs low for families, but without this continued support, some costs may need to be passed on in the future.

In 2025, we are inviting families to make a voluntary contribution of **\$120 per child** for the year (just \$30 per term). Every contribution, big or small, helps us continue to offer a rich and engaging learning environment for all students.

Thank you for everything you do to support our school community. Your involvement whether through contributions, volunteering, or fundraising makes a real difference.

A one-page overview of the Department's Parent Payments Policy is attached for your information.

Yours sincerely,

Chanae Johns
Principal
Cowwarr Primary School
