Welcome to Hope Discovery Outside School Hours Care LCS Campus

Hope Discovery Outside School Hours Care is committed to providing high quality learning and recreational programmes for Primary School aged children. Our Educators are committed to delivering a program that is guided by the "My Time Our Place" National Framework for Outside School Hours Care. This framework aims to extend and enrich children's wellbeing and development in school aged care. The framework recognises that school aged children require time to interact with friends, practice social skills, solve problems, explore new activities and learn life skills.
