

TO ALL PARENTS INTERESTED IN OFFERING ASSISTANCE
IN THE CLASSROOM

On **Monday, 25th February , 2019** in the **Multi Purpose Room**, I will be running a session for parents to inform them about the different ways they can assist in the classroom during the Literacy Program, under the direction of the classroom teacher. **The session will begin at 9.00 am.** Much can be achieved when partnerships with parents and teachers are formed, as most Literacy Programs require assistance if they are to be run efficiently and productively. It is essential that all classroom helpers have a **Working with Children Check**. **Even if you do not have one of these yet, please attend the session.** Forms are available online at: www.workingwithchildren.vic.gov.au.

If you are interested in attending the session please complete the form below by Friday 21st February.

Thank you in anticipation,
Sue Slavin (Literacy Leader)

I _____ would like to attend the session for parents interested in offering assistance in the classroom on Monday 25th February 2019 in the Multi Purpose Room

Signed: _____

Child's Name: _____ Grade: _____
