

## **SCSA 'SHOW US YOUR SKILLS' COMPETITION**

### **TERM 2, 2020 (FROM 8 MAY – 19 JUNE)**

### **Join in the fun!!!**

As we entered Term 2 with cancelled SCSA sports for the rest of the term due to Covid-19 lockdown, it is vital that you stay healthy and active but also to remain engaged with each other as much as possible. Many people from all over the world have taken to practicing their sporting skills in a range of new and creative ways in their homes and backyards. There are plenty of examples on social media of sporting stars and backyard heroes performing incredible trick shots with basketball, table tennis ball, golf club or soccer balls. As a result, SCSA has decided to create a fun but competitive competition for yourself and any other students who are willing to show us their skills in any sport they wish to choose.

#### **Rules:**

Students from all SCSA schools are invited to join in this competition by submitting their video entries of their own skills or creative trick shots. There are no set rules or requirements – you just need to be creative and skilful as you can and use your downtime between classes and study sessions to have some fun. You can set up your phone or device and plan your trick shot, record it and submit it. Submissions must be made and the short video uploaded on the SCSA website.

Each video must be edited by you so that the footage provided is just the trick shot/skill itself and must not exceed more than one minute.

The competition runs each week with some videos published on the SCSA website and social media (SCSA Facebook page). A tick box will appear on the submission page to authorise SCSA to publish the video online on its website and Facebook page. In the final week of Term 2, five of the most outstanding videos will be selected by the SCSA committee as the overall winners and a trophy will be awarded to each winner.

To enter this competition, you must register through:

<https://www.scsa.org.au/events/65537/>

#### **(Please take note of the following when registering):**

*Log in only as a **guest**, not a member. When filling in the 'Basic Details', prefill 'phone number' with 0, and address as 'c/o school name, eg OLSH, Avila, etc'. Please tick the first box if you give permission for SCSA to publicly publish your video on the SCSA website and Facebook page. You need to tick the second box for the submission to go through. Good luck with showing us your skill and being creative!!!*
