ASDAK is a not-for-profit school group that seeks to help children by assisting fathers and father-figures to realise their importance in children's lives and to improve their effectiveness as fathers and role-models for children. By tapping into the resources of The Fathering Project (www.thefatheringproject.org) ASDAK utilises researched evidence to develop programs and initiatives to encourage fathers to realise how important they are in a child's life, inspire them to get involved with their children and give them advice and opportunities on how to do this.

ASDAK will provide both 'dads and kids' events and 'dads only' events each term as well as circulating information by means of the school newsletter, Geddup and email.

Planned activities for Term 1 in 2020 include a 'Movie Night Under the Stars', a 'Build a Billycart Race and Obstacle Course' and a 'Dads' Dinner'. To make sure you receive information about these and other activities please complete the form above.
