

# INSPIRED LIVING SERIES

## Manningham's Weather and Changing Climate

Thursday 23 May, 7.00pm to 9.30pm

Manningham Function Centre, 699 Doncaster Road, Doncaster

Discover the latest on our local weather patterns, biodiversity impacts and how we can help, alongside some of Australia's biggest climate experts.

### Professor David Karoly

Internationally recognised expert on climate change and variability

### Nate Byrne

Weather presenter on ABC News Breakfast, meteorologist, oceanographer and science communicator

### Dr Greg Moore

Member of the National Trust of Victoria's Register of Significant Trees and Principal of Burnley College

Book your spot now and join us at this free event
