A.M.E.B. PRACTICAL EXAMS

Dear Parent/Guardian,

Each year the College enters a number of students for Australian Music Examination Board exams on their chosen instrument. Your child has been recommended by their teacher or has expressed an interest in sitting one of these exams. These exams give students a valuable experience in preparing and presenting a musical program in a formal setting. The A.M.E.B exams are **not** held at Viewbank College but are usually held at 259 Auburn Rd, Hawthorn. Students will need to make their own way to and from the exam. Exams can be scheduled on any day between the dates below, (Monday-Sunday) between the hours of 9am and 6pm, except on public holidays.

If there are any dates that your son/daughter would be unable to attend, please indicate this on your child's enrolment form.

The Examination dates are:

• 5 th Melbourne Metropolitan Session	• 5th October – 15th November
--	-------------------------------

There are a couple of expenses involved with sitting for an exam. Firstly, there is a fee for each level of exam which is set out below. Secondly, students are required to play pieces accompanied by the piano, as part of their practical exam. We are happy to recommend accompanists for you or you can organise your own.

The exam fees are set out below.
