Dear Parents/Caregivers

ICAS Testing 2021: Years 3 - 12

Clayfield College will be participating in the ICAS Assessments™ this year. Students in Years 3 – 12 will have the opportunity to test their higher-order thinking and problem-solving skills in English, Mathematics, Science and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition. Every student will receive a printed certificate and an online result report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to online assessments. This allows greater accessibility for students and faster delivery of results.

We will be conducting the ICAS testing during the following weeks, and the specific times will be published by year level closer to the date and may occur before or after school.
