

Why Become a Member?

As an organization our primary focus is on engaging youth in activities and programs. As a member you will be contacted first for upcoming programs and once off activities that we think you'd enjoy most. In the past we have run many successful activities that have limited availability, so we offer those spots to our much-loved members first. Events such as scavenger hunts, laser tag, bowling, movie days, gaming tournaments, camps, and much more.

Being a member also means you can be included in programs with social media involvement like Cooking with Gina, Film Production Program, TikTok Tuesdays.
