

FAMILY LIFE WORK EXPERIENCE VOLUNTEERING PROGRAM

Family Life creates and delivers programs to help children grow up in a safe and healthy family environment within a supportive community.

We run our own Social Enterprise Op Shops to further support this work and are looking for volunteer Retail Assistants at our Op Shops.

No experience needed - we will train you!

Our stores are in Hampton, Highett, Cheltenham, Elwood, Black Rock, Rosebud, Mordialloc and Mornington, with a Distribution Centre in Moorabbin.

REAL WORK EXPERIENCE WITH REAL BENEFITS

Through community service, students gain real world experience and work skills including leadership, customer service, interpersonal skills, problem-solving and time management. Volunteering offers students the opportunity to apply their classroom learning to practical scenarios.

VOLUNTEERING - WHAT IS IN IT FOR ME?

Learning new 'pre-employment' skills - without paying for it

- Customer service in face to face and online retail
- Stock management
- Handling payments
- Decorating windows and displays
- Online shop photo uploads and write ups

Work experience - in a real work environment

- A reference - that you can put on your resume
- A certificate after 3 months of volunteering

Soft skills - that you can't study for

- Confidence in having a go and trying new things
- Connecting with people face to face
- Asking questions, being part of a team
- Committing to a routine

Every day is different - you will have fun with our diverse group of volunteers and customers. You will be getting to know your community and giving back.

To qualify for a Work Experience Certificate, Family Life will require you to commit to volunteering for a minimum of 8 hours per week (over one or two shifts per week) over a 3 month period. We are flexible and times can be arranged around other commitments.
