What a game!!! The Marist team arrived after a long trek to Ipswich in hopes of redemption after a close trial loss earlier this term.

The boys began with a phenomenal bowling display snagging three wickets in three overs to put Eddies on the back foot and we kept the pressure on them against a slow outfield. The boys managed to hold them to 66 runs with a much-improved bowling innings compared to prior weeks.

With a target of 67 required the team held a steady pace attempting to chase it down, against a great bowling attack, little did we know it would come down to the final bowl when Zac Gibson would face needing 4 runs off the last shot and he pulls off a magnificent pull shot past square leg to complete a marvellous run chase amidst wild celebrations on the sideline. Congratulations boys look forward to next week for our final game

6D

Villa 6D played Marist in a closely contested match, with Villa 6D finishing on 6/97 to defeat Marist 4/79. Although this was our team's first loss of the season, the players showed great effort, teamwork, and sportsmanship throughout the game. Marist batted strongly, with Sam and Bede leading the way for our team with the bat, each scoring 5 runs. Special mention goes to Bede, who scored his first four, a fantastic achievement and a proud moment for both him and his family.

The bowlers worked hard, with Sam and Raphy taking one wicket each and keeping the pressure on the opposition. The highlight of the match was the excellent fielding, which resulted in four run outs. This showed strong communication, quick thinking, and great teamwork across the whole team.

Even though losing is disappointing, it is important because it helps us learn what we need to improve and teaches resilience and perseverance. Losses also remind us that effort and teamwork matter more than the final score.

Overall, the team should be proud of their performance and use this experience to come back stronger in the next game.

5A

Marist 5A 139 def. Villa 5A 101

Marist 5A delivered another strong all-round performance to defeat Villanova College 5A and continue their impressive season.

Openers Charlie Maher and Hamish McCarthy once again set the tone, providing a solid foundation at the top of the order. Both batters rotated the strike well and kept the scoreboard ticking over before retiring, giving Marist early control of the innings.

Jett Killen and Oliver Guardala were both removed cheaply by some accurate Villa bowling, momentarily slowing momentum. However, Jay Dhillon, batting at number five, steadied the innings with a composed 17 (14). Valuable middle-order contributions from Oscar Hirst and Levi Ittensohn ensured the innings continued to build, while Arahan Bhatia showed his power with some strong hitting when set.

With Charlie and Hamish returning to the crease, the pair scored freely to push Marist to a competitive total of 139.

With the ball, Marist applied early pressure, restricting Villa's scoring opportunities and putting their batting line-up on the back foot. While some uncharacteristic fielding errors gave Villa chances they would not usually receive, the overall control of the game was never seriously threatened. Late hitting from the opposition made the result appear closer than it was, but Marist maintained composure to bowl Villa out for 101.

Arahan Bhatia (2/2) and Levi Ittensohn (2/9) led the bowling effort in another disciplined team performance.

With one game remaining, the team will be eager to finish what has been a fantastic season on a high.

5B Blue

Unfortunately, 5B Blue were given their first defeat of the season to Villanova.

Marist were sent out to bat first and started slowly with Villa's bowling being on point early. Solid innings from Charles Mckenna and Jack Graves helped the boys get some good runs on the board, eventually being bowled out for 86.

Although not the largest total the boys were still confident that they could defend it. With some early wickets the hope grew and at drinks the match was truly in the balance. However unfortunately Marist just couldn't quite get it done falling 2 wickets short. A shout out to Oscar who was a standout with the ball.

Although a disappointing result, the coaches couldn't be prouder of how the boys fought to the very end. Hopefully we can finish the season off with a win this Saturday.

5C Blue

Marist got sent in to bat and the game started fast, with Tom Miller getting run out at the non-strikers end first ball of the game. Henry and Theo stabilised, before Lachlan Bradford, Nate and Lachlan Maclaren were also all in the sheds, despite some good shots. Going into drinks, the boys were at 4/59, poised for a big total provided they could stop the constant wickets. Those wickets would continue, however, with Tom Christsen caught ball watching and being run out at the non-strikers end as well. After this, Jack and Tom Brown would play some entertaining cricket, before they got out bowled and caught respectively. This brought Henry to the crease, one of two boys to retire, and with the instruction to stick around, he could for 2 overs before becoming unstuck. This brought Theo to the crease as the last batter to come in for a 10-man Ashgrove side, with 5 overs to go, as he joined Harry for the last wicket partnership. With the instruction to get the team to a respectable score through a solid defence, the boys masterfully saw out the last 5 overs, the pair facing 55(!) balls in total to see Marist creep to 8/101.

Villa began with some very defensive batting to start, with neither opener making any runs in their first go, as one retired and the other was caught by Jack. A wicket to Tom Christsen as well as 2 run outs were all the boys could manage heading into the drinks break, with Villa needing 55 to win off the last 10 overs. After drinks, Marist kept it tight, and pressure began to build on Villa. Tom Brown took one, and Tom Christsen took his second for the day, before Villa began to claw the game back. But at 5/68, Henry bowled a peach to stop the flow of runs and bring this tight game back in our favour. From there, wickets kept falling, but runs weren't scarce, and the equation for Villa was 23 off 12. From there, Lachlan Bradford took a very nice caught and bowled before colliding with Tom Miller, but bravely both boys decided to play on, and this was rewarded with Tom Miller finishing off the game with 2 more wickets in his last, Villa finishing all-out for 89.

The boys won this game through character, even if this wasn't many of our boys' best games, we pulled through when we had to and we got a well-deserved win because of it. Final score, Marist def Villa by 12 runs. "

5C Gold

5D Blue

Marist 5D Blue chased down Marist 5D White in an entertaining game of cricket. The boys opened the bowling strongly, with Jackson Stark (1/3) and Harvey Craig (1/7) preventing 5D White from making runs excellently. The opposition team managed a total of 97, leaving the boys with a large chase.

The batting opened with a strong partnership between Harvey Craig and Jackson Stark, where Harvey Craig notably made 37 runs off 19 balls. Harrison Dillon showed his batting skills as well, making 12 runs despite facing strong bowlers.

5D Gold

5D White

The boys produced a strong all-round team performance. Pat Muir-McCarey led the batting with a well-made 46, supported by Zach Riordan with 32, while Rocco Giobbi (9) and Finn McCarville (7) added valuable runs to help build the total.

With the ball, the Whites kept the pressure on throughout the innings. Ethan O'Rourke took 2/20, while Callum Graham (1/13) and Finn McCarville (1/4) each picked up a wicket. Charlie Watson also bowled tightly, finishing with 0/13, helping keep the opposition in check. Despite going down in a tight contest the boys stayed with it down to the wire and played some great cricket.
