COME AND JOIN US!

Hume Hockey Club is a vibrant, diverse and inclusive family-friendly club based in Craigieburn, Victoria. Established in 2017, Hume Hockey Club continues to grow and reflect the core values of our community – respect, integrity and inclusion.

We're currently looking for junior players (aged 7+) to join our young club. Our players not only undertake physical activity to improve their overall health and well-being but are also taught important skills both on and off the field including teamwork, leadership and communication. The Hume Hockey Club is a fantastic place to learn a new sport (or return to it) in a friendly, supportive and healthy environment for children of all ages and abilities.

In the wake of the COVID-19 pandemic, we are returning to training in accordance with Federal and State Government restrictions and Hockey Victoria guidelines. We have adopted a number of procedures to ensure and maintain the health and safety of our club and community during this time.

If you or your child are interested in knowing more about the club or attending a training session and giving it a go, please reach out to us at info@humehockeyclub.com.
