

SUBJECT EXPO

For Current Year 9-11 Students

4.30pm-7.30pm
Thursday 26 June 2025
Secondary Years Building

4.30pm-7.30pm
Thursday 26 June (Week 10)

Intended For

Year 9	Going into Year 10 in 2026	(Recommended, but optional)
Year 10	Going into Year 11 in 2026	(Compulsory attendance)
Year 11	Going into Year 12 in 2026	(Highly recommended)

Purpose

- Explore Subjects Available at GNLC
All subject areas will be displayed, with staff available to discuss 2026 learning options.
- Support for Choosing the Right Subjects
Presenters will help students choose subjects suited to their study and career goals.
- Understand University Pathways
Professor Tom Clark will share insights into university options and how choices can shape your academic journey.
- Subject Counselling for Year 11 in 2026
Learn how students will be supported and counselled when choosing Year 11 subjects for 2026.
- Explore Vocational Education Options
If university is not the right fit, students can explore alternative training and career pathways.

Visit Good News Careers

For Careers and Pathways Information, all Students are encouraged to attend and research information through:

- External Careers Expos
- Attend University Open Days (during weekends or after school hours)
- Through information provided by the Pathways Office

Our aim is to provide you with the latest information to help you make informed decisions about your future career and life beyond school. This website offers resources to prepare for work experience, find university and vocational courses across Australia and access details about the VCE, apprenticeships, traineeships, the Defence Forces, other post-secondary pathways and much more. Check out the Careers Calendar for all the latest events.
