

Hello All,

GREAT NEWS- WE ARE ALL BACK NEXT MONDAY!!

We can't believe that we have all made it through a full term being in stage 4 lockdown and waiting to start our Term 4. We will have all students, prep to grade 6 return to face to face learning and OSHCLUB is operating to provide quality care for the children and we assure that we all will have fun filled program.

We are ready and excited for the Term 4 commencement and can't wait to have all the lovely faces back. We are here to support every child in their wellbeing, learning and transition needs. OSHCLUB is a great place for children to re-connect with their friends and spend some time together having fun after all these days locked inside home.

To know more on what we do at Oshclub please see our A-Frame displayed outside in the undercover children pickup/drop-off area.

We provide various experiences for children both indoor and outdoor. Children's favourite spot is Math garden where we play dodge ball, gaga ball, high jump, down ball, fruit salad, all-it-tiggy and spend some time in the sand pit.

This week children enjoyed making chicken puppets, greeting cards, and some science experiments. We will be doing a lot of art activities, competitions followed by Halloween activities throughout this month.

Please note children require sunscreen and hat at Oshclub for Term 4 if they wish to go outside. We ask children to bring their school hat or a hat from home everyday as we don't have spare hats.

Morning Drop off and Evening Pick up

Parents are requested to drop off and pick up their children at the designated undercover area of the Chandler community hall rear door.

Suggestions and Feedback

We would like to hear any feedback and suggestion about the children interests, expectations etc from parents and children too, so that we could plan activities and experiences for them to explore their hidden talent and skills.

We also request you to send a drink bottle with the child for BSC and ASC as bubblers are not in use as part of our hygiene practices. We are open 7am-9am for BSC and 3:30pm-6pm ASC.

Thanks,

Hemalatha Rudraiah(Hema)
