

**Rowville Respiratory Clinic**  
Carpark @ 1101 Wellington Road, Rowville

Open:  
Monday – Saturday each week

How to book:  
Go to: [hotdoc.com.au](https://hotdoc.com.au) and search for clinics in Rowville

For symptomatic patients only

---

Rowville Respiratory Clinic is a stand-alone centre in our carpark to minimise risk of infection to other members of the public.

Rowville Respiratory clinic will assess patients with respiratory or other symptoms which may suggest infection with the COVID-19 virus.

Initial medical management of the condition will be provided and where appropriate patients can be swabbed for the virus with the test results available within a week, and in most cases within a few days.

Should any of your patients be suffering from:

- Cough
- Cold
- Sore throat
- Runny nose
- Fever
- Shortness of breath

they are welcome to see us for assessment, investigation and treatment.

---

**The clinic is fully funded by the Department of Health and there is no charge to attend.**

However please note that we are not allowed to assess or swab patients who do not have at least one of these symptoms.

Enquiries can be made to our friendly clinic staff on 9780 8990.

We wish you good health and a safe winter.

Yours faithfully

The doctors of Rowville Respiratory Clinic
