

How the Read-a-Thon works:

Get reading for 2 weeks from 31 July - 13 of August 2023! Everyone who participates will receive a certificate and prizes will be awarded to top readers! A parent or grown-up reading a book to you counts towards your tally, and also books read/watched on Story Box Library, Bug Club, Raz Kids, and audio books. Ask your friends and family to sponsor your reading and record their details on this form.

All funds raised will go directly to the NPS library.

If everyone raised \$25 each, we could raise over \$6000 for our school library. Happy reading!

Parents, please deposit Read-a-thon money into the Newlands PS bank account:
