

WHAT'S BEEN HAPPENING

Hello Families 😊

We have been super busy these last couple of weeks, children have been creating awesome and spooky Halloween decorations and filling up our walls with amazing work! This was topped off with a Halloween party to end the month.

The children have had the chance to experience different foods, fruits and vegetables while helping to create our delicious menu. Everyone has been enjoying the changes in the menu.

With more plans to keep filling our walls with displays and work, keep your eyes peeled.

If you have any questions or just want to have a chat, please either contact us during service hours or come in and have a chat!
