Around the Grounds

6A

6B

A hard-fought game by the 6Bs in an upsetting loss. After being 2-0 down at half time with numerous shots but nothing going in for our side, we headed into the second half eager to take back the game. Getting two goals back quickly, we were on a roll, before some unlucky chances missed by our side and a counterattack to end up 4–2 against us at the final whistle.

Man of the Match goes to the work horse Seb Fallon who played all over the field to help the team get back into the game only to end up just short. Overall, a strong and promising game but just wasn't our day but looking a strong side for the rest of the season.

6C

Against a highly skilled and higher ranked opposition, the 6Cs knew that today was going to be a tough match. However, they should be immensely proud of their efforts and for staying competitive throughout the entire game. Despite the result, there were some positives to take away from the game including the impressive team goal scored by Sam Jones, the defensive steel of Harrison Heisel and James Channells, the non-stop running from the midfielders and, last but not least, the Herculean effort by goal keeper, Toby Watherston. It is hard to imagine, but Toby stopped at least 30 other shots on goal from St Peter's, including many diving saves. It is for this reason that Toby was awarded the Player of the Match award for Round 1.

5A

What a performance to start the season!

Despite Villanova's goalkeeper having an incredible game between the sticks the 5As determination and persistence proved too strong for the opposition. Marist walking away 5 goals to the positive, and a clean sheet to go with it.

Right from the off Marist forced a number of quality saves from the Villanova goalkeeper who kept his side competitive. But with time ticking down in the first half Marist finally got the breakthrough. A tidy combination which saw half the team touch the ball in the build-up before a tidy bottom corner finish from Lewis Shirley broke the deadlock. With Marist hitting the woodwork a number of times shortly after they were well in control of the game, before doubling the lead moments before the half ended.

The second half brought much the same as the boy's teamwork, running effort, and individual skills saw them close out a dominant performance. With a brace for Taylor Milligan, and more goals to Jacob Nipperess and Oscar Munro the squad is clearly starting to find their groove going forward.

Finally, a top performance reinforced by a tremendous clean sheet for goal keeper George Coulter. George pulling off a number of athletic saves to break the hearts of the Villa forwards who couldn't find the back of the net.

5B

The Marist 5Bs should be extremely proud of their exceptional display of soccer prowess, demonstrating their dominance on the field and earning a well-deserved 5-2 victory. This win not only highlights their exceptional skill and teamwork but also serves as a statement to the other AIC teams that they are a force to be reckoned with and the team to beat.

Right from the beginning of the match, the 5Bs showcased an exceptional blend of skill and dominance. Unfortunately, Villanova ended up scoring first, however, the young Marist men did not let this impact their mentality. The synergy and seamless passing among the Marist players left Villanova's defenders chasing shadows, and it wasn't long before Tom Cairns broke through, demonstrating the true capabilities of his goal-scoring expertise with a clinical header. Lucas Puzey-Reitmeyer quickly followed on the back of Tom's goal, capitalising on a penalty shot. With the scoreline already in their favour, Marist remained relentless in their pursuit of victory for the remainder of the half. Exceptional back-line defence from Tejas, Noah and Toby left the Villanova offence without answers. A seemingly impenetrable wall, they shut down any attempt the opposition made, keeping the opponents to just 1.

The second half witnessed no let-up in Marist's attacking flair. Tom Cramp left an indelible mark on the game with a skilful goal, adding to the growing tally. Max finally notched a well-deserved goal for the team, showcasing his agility and precision. Finally, to top it off, Noah scored a dime of his own, with an impressive run from the backline.

A very impressive performance all round from the young Marist men and looking forward to seeing if we can replicate this again on the weekend!

5C

A courageous display by the 5Cs, who were unlucky today. Several shots at goal went close or were stopped by the Villa keeper. Unfortunately, not having any subs was our downfall, as the Villa boys were stronger with the benefit of fresh legs at their disposal.

Man of the Match goes to the selfless Alex Fassano, who volunteered to play goalkeeper, and did an excellent job at it. Honourable mentions to Hamish Donnelly for great attacking prowess on the right wing, and Ben Blinkhoff for being everywhere in the midfield.

5D Black

5D Gold

A strong game played by 5 Gold this week. After a seemingly positive start to the game, Villa managed to score their first of very few shots. Rafael Cienfuegos worked hard in both striker and goalkeeper to help the team stay strong. After scoring a late equaliser the last 5 minutes were full of opportunities that unfortunately didn't meet the back of the net. Overall, a great game from the boys, setting good footing heading into the rest of the season.

5D White

The 5 White boys built off our trial game last week ultimately coming away with a skilled goal-scoring display. We started the game strong with Chandler Forrest opening the scoring, continuing to build this lead with a bit of luck through deflections and playmaking from Leighton and Eli. We continued the pressure in the second half, staying aggressive in defence and maintaining a clean sheet until the final whistle. Promising signs in both attack and defence for the season to come.

5 Green

A very well played game from 5 Green considering this the first time they had played a full game together. Great work from Vincenzo Nucifora and Jack Anderson as strikers. Special shout out to MOTM Harmon Sidhu for his powerful kicks, helping us maintain possession of the ball. Overall a strong effort from all players, especially the new team members who had yet to train with the remaining members. Well done and keep up the good work!

5 Blue

5 Blue improved on their efforts from last week when it came to clearing the ball. Despite this, a strong Padua line up managed to dominate possession and keep us scoreless. Special congratulations goes to Thomas Bennett-Gunning for his speed and agility in the field and - impressive. Thanks also to Ethan Pinna who volunteered to play with the opposition when they were down a team member. Moving forward, the 5 Blues will continue to work on the following: clearing the ball, marking players in defence, breaking free in attack and urgency when it comes to attacking the ball. We will also work on our end of game war cry!
