

10.00 AM ON SUNDAY MAY 9TH

Mother's Day Commemoration at the Garden of the Grieving Mother

The service will be at 10.00 am on Sunday May 9th and there is an open invitation to Ballarat citizens to attend and leave a tribute to mothers.

It won't be a military style commemoration, but it will focus on the anxieties and grief experienced by mothers, not only those touched by war. You are invited to visit the site and leave a tribute to a special mother. The tribute doesn't need to be an expensive wreath. Maybe something made by the children or grandchildren, or a bunch of flowers from a home garden. It's not what it is but what it stands for that is most important. It would be wonderful to see the base of the statue covered with flowers.
