ISA Training will commence on Monday 22<sup>nd</sup> August and thereafter every Monday & Wednesday at Oxford Falls. Players who are interested in trialling for ISA should join these training sessions.

Now you need to link your PlayHQ account with your Cricket ID. Cricket Australia provided the following notes regarding Cricket ID's:

- **A 'Cricket ID' is not the same as a MyCricket ID.** A Cricket ID is a participant's key to the Australian Cricket digital ecosystem. It is used to interact with all Australian Cricket apps and websites from the MyCricket App through to cricket.com.au. Your Cricket ID ensures a tailored experience across all these platforms.
- If registering a Child, please remember to create your PlayHQ account first. When registering a child, please **make sure you link your Cricket ID to their PlayHQ account. Children do NOT need a Cricket ID.**
- It is recommended that you use a Microsoft Edge or Safari browser when registering through PlayHQ, this will ensure you do not encounter any issues when trying to link your Cricket ID. If you use Mozilla Firefox or Google Chrome, you may encounter some intermittent errors.
