

We would like to acknowledge the traditional custodians of this land.
We pay our respects to the elders both past, present and emerging.

NOTICE BOARD

Our lost and found is currently filling up so whenever you have a chance to pop in, come and have a look if any of your child's belongings have been left behind.

Thanks - Blake + Anushka

HALLOWEEN WEEK

This week we delved into all things creepy, scary and spooky for halloween! We had lots of fun creating our own paper plate masks, colouring in some scary pics and making some jack-o-lanterns. We had some fun with face paint and eyeball cake pops the afternoon before trick or treating!

ROYALTY WEEK

This week we were graceful and elegant during our royalty week! Our little princes and princesses made their own crowns and tiaras, created their very own fairytales and made some paper leaping frogs.

If you have any feedback or suggestions please do not hesitate to reach out as we are always open to new ideas! This week, our menu was created collaboratively with our children and we came up with a very delicious selection! This week we served pasta, rice cakes, vegetable fried rice, vegetarian spring rolls, rice crackers with dip, avocado, cheese slices, butter, vegemite and jam or tzatziki dip and corn chips with salsa! The students also enjoy a great selection of healthy fruits and vegetables! Our weekly menu follows Nutrition Australia's guidelines and is created with the children and parents. All cultural needs are considered. Any dietary requirements are to be discussed with the program coordinator.

2IC JOKE OF THE WEEK: What do you call a man with a shovel? Doug!
