CHANGE OF PREFERENCE

Victorian universities

This information is for Year 12 students who have applied for vocational and/or university courses through the Victorian Tertiary Admissions Centre (VTAC).

Change of Preference gives you the chance to **add**, **delete** and **reorder** your preferences. If you receive an offer, you will be offered the course **highest** on your preference list you are **eligible** for (you have met the selection criteria requirements).

It is also the last chance you have to make sure your preference list reflects what you would like to study in the future.
